DETAILED ACTION

APPLICANTS' ARGUMENTS

The after final amendment, filed 11/26/07, with amended claims 20, 26-29, and cancelled claims 1-19, 21, 25, and 30-33, has been entered. Applicants' arguments and amendments, filed 11/26/07, have been fully considered and are persuasive with the Examiner's Amendment below. The species election was withdrawn in an office action, mailed 9/2/03. All of the previous rejections and objections have been withdrawn.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Simmons on December 19, 2007.

In the claims:

In claim 20, line 18, delete "all".

In claim 20, line 18, delete "of" after "including".

In claim 20, line 23, delete "homologous or".

In claim 26, line 2, delete "is"; replace with "are".

In claim 27, line 2, delete "has an"; replace with "have".

In claim 27, line 2, delete "sequence"; replace with "sequences".

In claim 28, line 2, delete "has an"; replace with "have".

In claim 28, line 2, delete "sequence"; replace with "sequences".

REASONS FOR ALLOWANCE:

The following is an examiner's statement of reasons for allowance:

The invention is directed to a method for identifying a candidate protein useful as an anti-infective in a manner not disclosed in the prior art. The objection and rejections in the office action, mailed 8/22/07, were removed due to Applicant's amendments as well as the Examiner's Amendment above. Because no outstanding objections or rejections remain, the claimed invention is deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
